16” Top loader laptop bag

CNL-CNB16

This convenient and versatile bag is designed to protect your 16" notebook from the elements. Thanks to its sturdy hard shell case, the bag will resist excessive wear and will stand the test of time. This model has a sleek and minimalist design, which works well for work, travel and casual urban outings. It also features a large padded compartment for your notebook, as well as multi functional accessories section with pockets for all your gear. Name tag included. Part of Canyon's Chrome Series.
